

**A Stars and Promises Christmas
Something Old, Something New**

Guitarist, Vocalist and Songwriter Peter Mayer announces his annual Christmas tour for the holiday season 2025, **“A Stars and Promises Christmas – Something Old, Something New.”** Mayer is a frequent traveler in the musical world, sharing the stage with James Taylor, Paul McCartney, Don Henley, Paul Simon, Dave Matthews and many others, and best known for his 35 years as Jimmy Buffett’s lead guitarist. As a songwriter-performer in his own right, leader of the group PM, and the Peter Mayer Group, he has released more than 20 albums, among them, four Christmas albums. Last year his Stars and Promises Christmas tour celebrated its 25th anniversary.

Embarking on their 26th year of Christmas touring, the show will feature an outstanding group of musicians that are captivating in live performance. The ensemble of performers joining Mayer this year include renowned members of the Stars and Promises band: Brendan Mayer on guitar, keyboards and vocals (*The Turf, Jimmy Buffett, Floating Collective*); Alex Stewart on flute, woodwinds and bagpipes (*The Piper Jones Band*) ; Zeb Briskovich on electric and upright bass (*Clark Terry, Grady Tate, the St. Louis Symphony Orchestra*); and Miles Vandiver on drums and percussion (*Tom Kennedy, Ray Kennedy, Brian Owens*).

The show features traditional carols, holiday classics and original Christmas compositions and the stories that brought them to life. As Mayer tells it, “I love this season with the timeless songs and the Christmas spirit we share. It’s an honor to know that so many fans have made this concert a yearly tradition, saying their Christmas season hasn’t begun until they’ve seen a Stars and Promises show.”

This year’s theme, **“Something Old, Something New,”** will be a show in two parts, featuring an “unplugged” acoustic set, followed by a set with all the bells and whistles, including special guests along the way.

Christmas carols from long ago, stories of the holiday season, brand new holiday carols for this Christmas, with a tip of the cap to Jimmy Buffett... Don’t miss this “Christmas concert like no other” - **“A Stars and Promises Christmas – Something Old, Something New.”**
